PROJECT COMPETITION CELL

Introduction :

The project competition cell is started from 18th January 2017. It offers an exceptional opportunity to the students to showcase their ability and untapped potential to outside world. The intent of this competition cell is to motivate engineers to work on electrifying project who will be the future problem solvers. This cell motivates and guides students to participate in various competitions.

Prof. Nisha Vanjari
Convener

Prof. Sarita Rathod
Co-ordinator
