AMERICAN CHEMICAL SOCIETY

ABOUT ACS

Founded in 1876 and chartered by the U.S. Congress, we are the world's largest scientific society. Our mission is to advance the broader chemistry enterprise and its practitioners for the benefit of Earth and its people. Our vision is to improve people's lives through the transforming power of chemistry.

VISION & MISSION

- **To advance the broader chemistry enterprise and its practitioners for the benefit of Earth and its people.**
- **To inculcate ethical behaviour, responsibility and commitment among students.**
- **We empower our members to advance chemistry, elevate their career potential, expand their networks, inspire future generation and moreover help to build them personally.**

ROLES AND RESPONSIBILITIES

- **Provide students with a platform that helps them take decisions and make new initiatives in order to work towards the welfare of the college and the student body.**
- **To ensure that students and faculty members work in coordination to enhance the aspects of growth and vision of KJSIEIT.**
- **To overlook and organize various student driven activities and events in KJSIEIT.**
